in cash prizes!

21 \$250 1st prizes
21 \$100 2nd prizes
21 \$50 3rd prizes

FREE TO ENTER

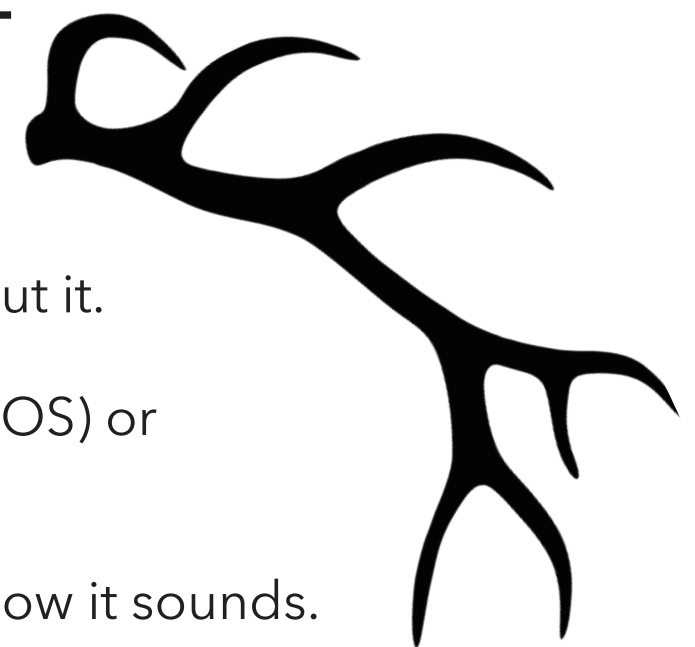

Record an audio file for submission to the Celebrate Utah Wildlife Contest. **ALL AGES**

Here's some simple instructions for you to self-record your story and upload to the contest:

INSTRUCTIONS FOR SELF-RECORDING YOUR BEST UTAH WILDLIFE STORY FOR THE CONTEST

1. Think about your most memorable wildlife encounter in Utah. Spend a moment trying to picture the details of that experience and how you felt about it.
2. Find a place without too much background noise. Open the VOICE MEMO (IOS) or Voice Recording (Android) app on your phone.
3. Hold the phone about a foot away. Make a 10 second test recording to see how it sounds.
4. Describe the important details of your story, such as the place, why you were there, the weather, the sounds, the smells, and the way you felt during and after the encounter.
5. Save the file and rename it with the name of the story, your home county and your name: **SubmissionTitle_Home County_ First InitialLast Name**.
6. Scan the QR code or go to **celebrateutahwildlife.org** and click contest link. Fill out the application form and upload your file.
